

Viento

AREA LIGHT

60-80% Reduction In Energy Usage - 10 Year Warranty!

XtraLight's Viento is the latest family of LED outdoor site & area luminaires. The Viento, with its architectural styling and controls ready design, is available with multiple precision optics and mounting options, providing optimal flexibility for any parking, retail or car dealership project. A rugged die-cast construction ensures long-life of both the energy-efficient LEDs and drivers, backed by an industry leading 10-year warranty.
