

## XtraLight C4B4

Trial Installation Program

When you need the highest quality LED lighting products, always choose XtraLight.

XtraLight understands that often customers need to see and evaluate a lighting system's performance in the actual on-site conditions prior to making a purchasing decision. That's why we've developed a customer friendly program to help facilitate the process.

### How It Works

- Customer may order up to (4) XtraLight LED Lighting Products
- Order value cannot exceed \$2500
- Distributor purchase order must be marked C4B4
- Order will be entered with 90-Day dating
- If the customer decides to keep the fixtures simply pay the invoice at the end of the 90 day trial
- If the customer elects to return the fixtures, an RMA must be requested and the fixtures returned in their original cartons and credit will be issued provided the fixtures are not damaged

### Product

- Must be standard, cataloged products to qualify for C4B4

### Freight, Terms and Conditions

- Standard freight and Terms & Conditions apply except as noted; see XtraLight.com for details
- All items are shipped by ground from Houston, TX (unless otherwise indicated)
- Expedited freight is available at additional cost
